

Daily Double Tonguing Workout

Play the following rhythm on each note of a scale (you choose!). Each time you play through the scale, use a different articulation pattern. Keep track of your tempo and keep increasing it each week!

1. T T T T T
2. K K K K K
3. K T K T K
4. T K T K T

Daily Scale Articulation Workout

As you work to improve and memorize your scales, play each scale every day with the following articulation patterns. Don't have time? Divide the number of scales by the days of the week you practice, and make sure to cover that many each day.
